Accordingly, no warranty, representation, promise, condition or statement in relation to the matters in clause 2.2(a) whether express or implied and whether statutory or otherwise are to the fullest extent permitted by law, expressly excluded.
- (b) The Seller excludes all implied conditions and warranties except any implied condition or warranty except to the extent the exclusion of which would contravene any statute or cause any part of this clause 2 to be voided at law.
- (c) To the extent permitted by law, the Seller's liability for a breach of a condition of a Seller's warranty in this agreement is limited to any one or more of the following (at the Seller's option):
- (i) the replacement of the goods or the supply of equivalent goods, or
  - (ii) the refund of cost of the Seeds.
- (d) In no event will the Seller be liable for any special, incidental, indirect or consequential damages or exemplary or punitive damages or damage to personal property or injury or death to persons.

- (i) the contents are blended prior to packing on weight;
  - (ii) the contents may settle during handling and transit;
  - (iii) the contents of the packaging of the Seeds may need to be removed and re-blended as a result of settling during transit and prior to use to maintain homogeneity; and
  - (iv) the Buyer is to take appropriate steps to assess the contents of the packs of Seeds to ensure suitability for use with the intended planting machinery and method.
- (g) If the Buyer is a consumer within the meaning of the Competition and Consumer Act 2010 (ACL), the Buyer's liability for the supply of the Seeds is limited to the extent permitted by section 64A of Schedule 2 of the ACL.
- (h) The invoiced weight of the Seeds has been determined at the time of packing the Seeds to deliver to the Buyer. The Buyer cannot make any claim against the Seller if the weight of the Seeds at or following delivery is less than the invoiced weight within 1%. Weight can vary due to air moisture levels during transport or storage.

The Buyer must take delivery of the Seeds by receipt or collection when tendered for delivery.

### **4.5 Instalment deliveries**

The Seller may deliver the Seeds in separate instalments. Each separate instalment shall be invoiced and paid in accordance with these terms and conditions including the Payment Requirements.

- (b) Should an article arrive damaged during transit, please raise a case with the carrier directly. The Seller ensures all parcels are well packaged. The Seller is not liable for damage or loss during transit.
- (c) Export – the Seller will arrange for export documentation when required for overseas sales. The Buyer is responsible for the cost of export documentation and freight costs.

## **9. Refund policy**

No Seeds may be returned without first obtaining written authorisation from the Seller. No returns will be considered unless they are in the original unopened packaging of the Seller.

## **10. Cancellation of orders**

- (a) Once the Sales Order issues it may only be cancelled with the Seller's consent.
- (b) In the event of liquidation, bankruptcy or suspension of payment by the Buyer for any reason whatsoever, all outstanding payments fall due and the Seller may cancel any agreement with the Buyer without prejudice to the Seller's right to claim compensation or any other legal remedy against the Buyer.

- 1.5 The Buyer waives its rights to receive any notice under the PPSA (including notice of verification statement) unless the notice is required by the PPSA and cannot be excluded.
- 1.6 The Seller and the Buyer agree:
